

Cms Readmission Penalty Hips And Knees

In 1994, the United States Supreme Court ruled in *Grain Processing v. American Alcolac*, 517 U.S. 301, 115 S.Ct. 1526, 134 L.Ed.2d 679 (1994), that a company's right to use its name in a product name is not automatically forfeited by the company's failure to register the name with the Trademark Office. The Court's decision was based on the fact that the company's name was not a trademark, and therefore, the company was not required to register it. The Court's decision was based on the fact that the company's name was not a trademark, and therefore, the company was not required to register it.
